*** (units = courses)

MCAS Graduation Requirements for Graduation

- ▶ Students are expected to pass the MCAS in Math, English and Science.
- ▶ Students will take MCAS in grade 10.
- ▶ Students in Biology in grade 9 will take the Science MCAS in grade 9.

Get Involved!

- ▶ High school is much more than classes
- ▶ Students are the **most important part** of the high school family
- ▶ Students are more successful when they are involved in school activities

Clubs, Activities, and Sports

- ❖ Club and Activity Fair held each September during Back to School Night
- ❖ It's an opportunity to meet new friends and become part of the school community
- ❖ Freshmen will transition better when they are involved in school activities

What is the right class for me?

Choosing the right courses for high school is a very important process.

- ▶ Teacher Recommendations
- ▶ Student Involvement
- ▶ Parental Involvement

Course Levels

- ❖ **Advanced (A):** Students should anticipate intense pacing and collegiate analysis of the curriculum. Students should be accomplished independent learners who are highly self-motivated and can manage rigorous homework expectations. Summer work may be required.
- ❖ **Honors (H):** Students should anticipate fast pacing and deep analysis of the curriculum. Students should be self-motivated to manage more rigorous homework expectations.
- ❖ **College and Career Preparatory (CCP):** Students should anticipate moderate pacing and deep exploration of the curriculum in CCP level classes. Students should be motivated to engage with a workload that prepares them for post-secondary education and/or careers.

- ▶ Students must take 5 academic courses (English, Math, Science, Social Studies and Foreign Language) plus one elective for 5 credits or two electives for 2.5 credits each
- ▶ Students should choose an ALTERNATE to their primary ELECTIVE request
- ▶ Students need to select at least six 5 credit courses for a full schedule

Course Selection Information Online

Course Selection Link

- ▶ NQHS Course Selection Pathways Booklet - listing of available courses. Can be found online or in NQHS Guidance Office
 - ▶ Hybrid students can pick-up in Guidance
- ▶ QPS Program of Studies Booklet - course descriptions and prerequisites. Can be found online.
 - ▶ How to find booklets online:
 - ▶ NQHS website
 - ▶ Click "Our School"
 - ▶ Click "Guidance"
 - ▶ Click "2020-21 Course Selection"

Course Selection Process

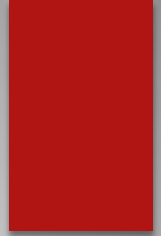

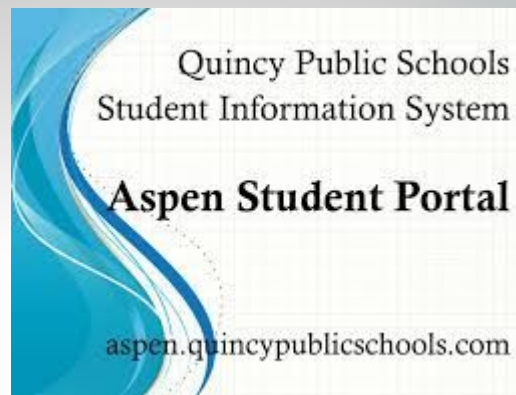

- ▶ Your teachers recommend the courses they feel are most appropriate for you based on your grades and performance in each subject area.
- ▶ Each student will log onto Aspen to see their course recommendations.
- ▶ Students will need to choose their elective class.
- ▶ Parents/guardians approve recommendations and requests on Aspen by March 26th.
- ▶ If you have any questions about your recommendations please see your School Counselor.

Course Selection Information

- ▶ Students who would like to take a course not recommended by a teacher should type a note to their counselor in the “note to counselor” box.
- ▶ Counselors will review all course requests and set up meetings with students throughout the spring however students are encouraged to sign up to meet with their counselor if they have an immediate question or concern.
- ▶ If you have not selected enough courses to satisfy requirements for your academic track, the system lets you know which area you need to make more requests in. Please verify that you have **31 credits**.
- ▶ We build the entire schedule and assign faculty based on information we receive from March course selection. Requests for changes, after that time, will only be honored after careful consideration.
- ▶ We cannot stress enough importance of carefully considering and selecting courses in the spring.

Aspen

- ❖ After logging into the Student Portal choose **My Info** top tab -**Requests** side tab
- ❖ Follow the Instructions which will be visible on the top of the My Info request screen during the course_selection time of March 19 - 26, 2021
- ❖ Click “submit” to the left of courses
- ❖ Make a comment in the box if you disagree with a recommendation or would like to add or change courses
- ❖ Click “Post” to record requests

Instructions

Quincy High School welcomes you.....

Select your courses with care. Course numbers must be accurately recorded. Level placement is based on student performance, teacher recommendations and the fulfillment of prerequisites. As per the Program of Studies, course prerequisites must be strongly adhered to while choosing courses. Changes will be difficult to make after the final scheduling process and will only be processed through the policy outlined in the Program of Studies.

Students must select exactly 31 credits worth of courses. QPS requires students to pass 4 years of English, 4 years of social studies, 2 years of foreign language, 3 years of math, 3 years of science and 4 years of physical education.

- Students must select exactly 31 credits worth of courses.**

Students in grade 9 must take Freshman Seminar, English, Math, Science, Social Studies, Foreign Language, Electives totalling 5 credits and Physical Education.

Notes for counselor

Please post notes here your for your counselors.

Hello Ms. Jacobs, could I please be consider for Biology Honors instead of CCP level.

Student Course Selection: Part 4

1. Subject Area
2. Instructions for the particular subject area.
3. Navigate Page Buttons: Forward (>) and Backwards (<)
4. Select Check Box
☐
5. Select Alternate 1 from Dropdown List
6. Select Alternate 2 from Dropdown List

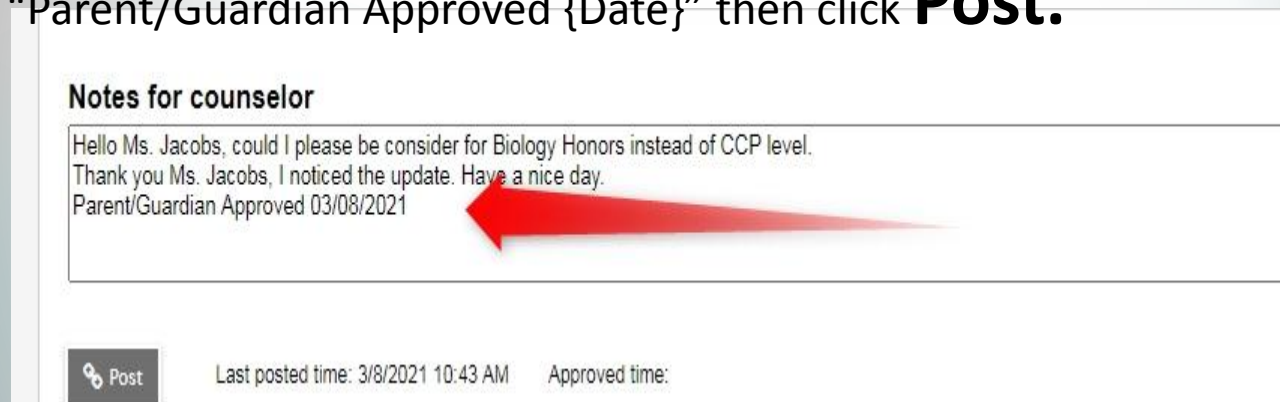

The screenshot shows a web application for course selection. At the top, there is a 'Subject area' dropdown menu (1) set to 'ArtMusicTheater Elective'. Below it is an 'Instructions' section (2) with text about electives and a link to the Course Selection Chart. A navigation bar (3) contains back and forward buttons. Below the navigation bar is a table of courses. The table has columns: Select, CourseNumber, CourseDescription, Academic level, Credit, Prerequisite, Status, Alternate 1, and Alternate 2. A blue box highlights the first four columns. A red box highlights the 'Alternate 1' and 'Alternate 2' columns. A red circle (4) is over the 'Select' checkbox for course 6245. A red circle (5) is over the 'Alternate 1' dropdown for course 6245. A red circle (6) is over the 'Alternate 2' dropdown for course 6245. At the bottom are 'OK' and 'Cancel' buttons.

Select	CourseNumber	CourseDescription	Academic level	Credit	Prerequisite	Status	Alternate 1	Alternate 2

☒ OK ☐ Cancel

Student Course Selection: Part 5

After making your selections please add comments to notify the guidance counselor that you have completed your selections by adding the comment “Parent/Guardian Approved {Date}” then click **Post**.

The screenshot shows a form titled "Notes for counselor" with a text area containing the following text:

Hello Ms. Jacobs, could I please be consider for Biology Honors instead of CCP level.
Thank you Ms. Jacobs, I noticed the update. Have a nice day.
Parent/Guardian Approved 03/08/2021

A large red arrow points from the right side of the text area towards the "Post" button at the bottom left of the form.

At the bottom left of the form is a button labeled "Post" with a circular icon containing a right-pointing arrow. To the right of the button are two labels: "Last posted time: 3/8/2021 10:43 AM" and "Approved time:".

Note: that once the course selection ends. This box will be grayed out and locked.
