Dual Enrollment with Quincy College

Dual enrollment is a partnership that Quincy Public School participates in which provides 10th, 11th and 12th grade students the opportunity to earn college credit from Quincy College by taking honors level courses listed on this slide.

Dual enrollment students receive a Quincy College transcript upon completion of their dual enrollment course(s). As long as the student earns a final grade of a “C” or better, then they will receive Quincy College credit for their dual enrollment course(s).

The cost for each course is \$250 and students have the option of receiving college credit from many other four year colleges while still in high school.
