Beverly Kenney
Advanced Hybrid Chemistry
Block 4

North Quincy High School

Back to School 2020

Currently Using Google Classroom for all student work

ASPEN for Grades

Aspen teacher page unique to each class where homework is listed as well as any resources, Syllabus, Expectations, and any LINKS ZOOM for Wednesday Remote and Google Classroom

Curriculum

1st Quarter

1. Measurements and Calculations in Chemistry / Dimensional Analysis
2. Physical / Chemical Changes and Properties of Matter
3. Atomic Chemistry / Moles
4. Electrons / Light / Ionic Bonding

2nd Quarter

5. Chemical Bonding
6. Chemical Names and Formulas
7. Identifying and Predicting Types of Chemical Reactions
8. Stoichiometry

3rd Quarter

9. Phases of Matter and Kinetic Theory
10. Gas Laws
11. Solutions
12. Acids and Bases and Neutralization

4th Quarter

13. Thermochemistry
14. Kinetics/Equilibrium
14. Redox
15. Organic

Expectations

It is expected that all hybrid students will attend all classes

It is expected on those days when they are not attending in person learning that they will be actively engaged.

This might mean a powerpoint with accompanying work.

Viewing a teacher recorded lab and working remotely with lab partners over zoom to complete the work required.

Reading a portion of a chapter.

Studying for an exam or quiz.

Working on a project as assigned.

Grading Policy

Exams are weighted at	30%
Quizzes are weighted at	20%
Labs are weighted at	20%
Projects are weighted at	20%
Homework is weighted at	5%
Classwork is weighted at	5%
